2. Make photocopies of the collar, dress and bonnet templates.

INSTRUCTIONS:

To make Tina Turkey, you will need:

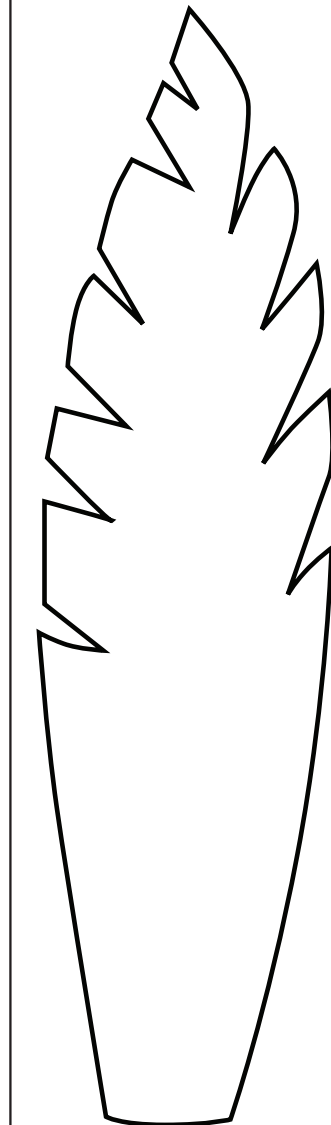

- 1 painted cone
- 8 feathers (cut from colored paper)
- 2 wiggle eyes
- 1 white paper bonnet
- 1 white paper collar
- Hair (cut from colored paper)
- 2 small red felt circles (for Tina's cheeks)
- 1 orange felt beak
- 1 black paper bow
- 1 dress (cut from colored paper)

To make Tom Turkey, you will need:

- 1 painted cone
- 8 feathers (cut from colored paper)
- 2 wiggle eyes
- 1 black paper hat with white paper band
- 1 white paper collar
- 1 red felt waddle
- 1 orange felt beak
- 1 black paper bow

1. Paint your cone. Let dry. Choose to make Tom or Tina.
2. Trace and cut out 8 feathers from colored paper. Follow Figure A or design your own shapes. Set aside.
3. Use scissors to cut out all accessories for your turkey from the white and black paper. If you are making **Tina Turkey**, cut a dress shape from colored paper using the template.

FIGURE A

To make Tom: place the hat brim on top of the cone (see Figure B). Glue ends together. Glue the ends of the hat's crown together. Dab glue to the top of hat and place crown on top of that. Flip over and glue this onto the hat's brim. Trace and cut a waddle from the red felt and a beak from the orange felt (Figure C). Glue wiggle eyes, waddle, beak, collar and bow onto Tom, (see Figure D). Dab glue on wide end of feathers. Create a fan of feathers and glue onto back of Tom. Let dry.

To make Tina: Fold in the two side tabs of the bonnet shape, then fold down the center tab. Glue together. Attach with glue to the top/back of the cone. Cut small strips of colored paper to glue in the front of bonnet as hair (see Figure D). Trace and cut two small circles from the red felt and a beak from the orange felt (see Figure C). Dab glue to back of dress and wrap around cone. Glue wiggle eyes, beak, red cheeks, collar and bow onto Tina, (see Figure D). Dab glue on wide end of feathers. Create a fan of feathers and glue onto back of Tina. Let dry.

TIP: It helps to staple the fan of feathers together before you glue into place. Use the tape to secure the feathers on the back.
