GP3002

INSTRUCTIONS:

1. Cut the gemstones sheets into pieces so that each person has a section of stones to decorate their nail file.
2. Peel the stones from the backing, one at a time and apply to the nail file, either side. Press the stones down firmly. Use any pattern to decorate your nail file.
3. If you wish to use the side of the file that you are decorating, keep the stones on the back half of the file and then the other half of that side will be useable as a file.

Makes a great gift!
