PREPARATION INSTRUCTIONS:

1. Cut each sponge in half to allow for two pieces per person.

INSTRUCTIONS:

1. Use one piece of sponge to apply the chalkboard paint, in an even layer, onto the front of your bubble shape tile. Repeat with a second coat and lay flat to dry.

TIP: To speed up dry time, have an adult dry the paint with a hair dryer.

2. Plan out a fun design for the border/edge of your bubble. Use the neon paint and the other piece of sponge to create your design as planned. Allow time for the paint to dry and make sure to leave enough of the center chalkboard surface exposed to write your happy thoughts in chalk!

TIP: You can use the “edge” of the sponge to paint lines or trim the sponge into a shape to “stamp” a design around the outside edge.

Fun Facts! Happy Quoting!

- “Most people are about as Happy as they make up their minds to be.” - Abraham Lincoln
- “The purpose of life is to be Happy.” - Dali Lama
- “Happiness is contagious....when you reflect happiness, then all others around you catch the Happy Bug and are happy, too.” - Jennifer Leese
