EACH PERSON SHOULD HAVE:

- 1 felt basket
- Length of jute string- see preparation instructions below:
- Self-adhesive felt stickers

PREPARATION INSTRUCTIONS:

1. Fold and cut each jute piece in half. Each person needs 1 length after it is cut.

INSTRUCTIONS:

1. Take the jute and make a double knot at one end.
2. Thread jute onto needle.
3. Prepare basket "panels" for threading: fold each panel towards the center of the basket from the base.
4. Take 2 panels and overlap at the holes closed to each other. Thread the jute out through the overlapped hole. Overlap the next panel at the closest to the open hole of the first panel. Thread jute in towards center of the basket.
5. Continue to overlap each new panel and thread jute in and out of the panels.
6. When all panels have been threaded together, tie a double knot close to the last hole. Cut jute off.
7. Decorate the basket by removing the back of the felt stickers and pressing stickers firmly to the basket.

NOTE: To create a look similar to our finished basket you need 8 each of heart, circle and flower shape felt stickers. Layer each flower with a circle then a heart shape on top. Then remove the back of the flower felt sticker and press firmly onto your felt basket on every other outside basket panel.
