PREPARATION INSTRUCTIONS:

You can decorate your cardboard seal before or after assembly. We have found acrylic paint to be the best, and in a time-crunch markers are perfect. You can use whatever supplies are available.

EACH PERSON SHOULD HAVE:

- 1 Sheet of Cardboard Seal Parts
- 2 Wiggly Eyes

The glue will be shared among the group.

INSTRUCTIONS:

1. Punch out all the pieces from the cardboard sheet. Refer to the finished sample image on the front of this instruction as a guide for assembly.
2. Start with the body. Glue two of the large "leg" shapes to the center body piece, being careful to match up the outside edges. Glue the two flippers onto the body, then glue/slot fit the ball shape to the nose.
3. Glue/slot fit the stand so that the seal stands up.
4. Glue on the wiggly eyes.
