PREPARATION INSTRUCTIONS:

Un-roll and cut the pieces of yarn in varying lengths. We recommend pieces no smaller than 10" long.

INSTRUCTIONS:

1. Each person should choose her yarn colors.
2. Wrap and tie the end of one piece of yarn around the bracelet.
3. Continue wrapping the yarn around your bracelet. When you get to the end of one color of yarn, choose the next color and tie it on. Tuck the knot on the inside of the bracelet.
4. Repeat this until the entire bracelet is wrapped in yarn. Thread the end of the last piece of yarn through a couple of yarn strands on the inside and tie a knot.

Fun! Facts! • Yarn Bombing

- A type of street art that employs colorful displays of knitted or crocheted yarn or fiber rather than paint or chalk.
- It is believed to have originated in the U.S. with Texas knitters trying to find a creative way to use their leftover and unfinished knitting projects, but it has since spread worldwide.
