

PLAYING THE GAME

Each player starts with 3 tokens. Players take turns rolling the dice, continuing clockwise.

To start: Roll all three dice. Each die tells you what to do with a token:

Each LEFT = pass one token to the LEFT.
Each STAR = put one token into the CENTER.
Each RIGHT = pass one token to the RIGHT.
Each DOT = don't pass a token. Three DOTS is a perfect roll.

During the game, players with just one or two tokens left may only roll as many dice as they have tokens (2 tokens = roll 2 dice, 1 token = roll 1 die).

Players with no tokens left aren't out of the game. They just pass on their turn and rejoin on their next turn, IF they get some tokens back.

The last player with tokens wins the game.
