GP2058

INSTRUCTIONS:

Note: Permanent Markers are included in this kit. These markers will not wash out of clothing, so wear a smock or apron while coloring.

1. Lay all materials out on clean work surface.
2. Using the markers, begin coloring your design. **TIP:** Use caution when holding the bottle in your hand as you color, be sure not to smear your design.
3. Allow to dry before adding a second color.
This will prevent the colors from blending into each other.

Helpful Hint: Wash gently by hand to clean the inside of the bottle.
Enjoy your new water bottle!
