## Up On The Roof

When this old world starts getting me down  
And people are just too much for me to face

I climb way up to the top of the stairs  
And all my cares just drift right into space

On the roof it's peaceful as can be  
And there, the world below can't bother me  
Let me tell you now

When I come home feeling tired and beat  
I go up where the air is fresh and sweet  
I get away from the hustling crowds  
And all that rat race noise down in the street

On the roof's the only place I know  
Where you just have to wish to make it so  
Let's go up on the roof

At night, the stars put on a show for free  
And, Darling, you can share it all with me  
I keep-a tellin' you

Right smack dab in the middle of town  
I found a paradise that's trouble proof  
Up on the roof

And if this world starts getting you down  
There's room enough for two up on the roof  
Up on the roof, oh, come on, baby  
Up on the roof  
Up on the roof

## **This Little Light Of Mine**

This little light of mine, I'm gonna let it shine  
This little light of mine, I'm gonna let it shine  
This little light of mine, I'm gonna let it shine  
Let it shine, let it shine, let it shine

## **The Yellow Rose of Texas**

Oh the yellow rose of Texas is the only gal I love  
Her eyes are even bluer than Texas skies above  
Her heart's as big as Texas and wherever I may go  
I'll remember her forever because I love her so

There are so many roses that bloom along the way  
But my heart's in Amarillo and that's where it will stay  
With the yellow rose of Texas so I'd better get there fast  
'Cause I know I was her first love and I want to be her last

Oh the yellow rose of Texas is the only gal I love  
Her eyes are even bluer than Texas skies above  
Her heart's as big as Texas and wherever I may go  
I'll remember her forever because I love her so

The Eyes Of Texas Are Upon You  
(*instrumental*)

## Scarborough Fair

Are you going to Scarborough Fair  
Parsley, sage, rosemary and thyme  
Remember me to one who loves there  
He was once a true love of mine

Tell him to make me a cambric shirt  
Parsley, sage, rosemary and thyme  
Without no seams nor needlework  
Then he'll be a true love of mine

Tell him to find me an acre of land  
Parsley, sage, rosemary and thyme  
Between the salt water and the sea strand  
Then he'll be a true love of mine

*(flute solo)*

Tell him to reap it with a sickle of leather  
Parsley sage rosemary and thyme  
And gather it all in a bunch of heather  
Then he'll be a true love of mine

Are you going to Scarborough Fair  
Parsley sage rosemary and thyme  
Remember me to one who loves there  
Then he'll be a true love of mine

## **(They Long To Be) Close To You**

Why do birds suddenly appear, every time you are near  
Just like me, they long to be close to you

Why do stars fall down from the sky, every time you walk by  
Just like me, they long to be close to you

On the day that you were born the angels got together  
And decided to create a dream come true  
So they sprinkled moonbeams in your hair and starlight in your eyes of blue

That is why all the girls in town, follow you all around  
Just like me, they long to be, close to you

*(trumpet solo)*

On the day that you were born the angels got together  
And decided to create a dream come true  
So they sprinkled moonbeams in your hair and starlight in your eyes of blue

That is why all the girls in town, follow you all around  
Just like me, they long to be, close to you

Just like me, they long to be, close to you

(w-a-a-h) close to you

(w-a-a-h) close to you

## **Wabash Cannonball**

From the great Atlantic ocean to the wide Pacific shore  
She climbs a flowery mountains for the hills and by the shore  
She's mighty tall and handsome she's known quite well by all  
She's a regular combination on the Wabash Cannonball

Listen to the jingle the rumble and the roar  
As she glides along the woodland through the hills and by the shore  
Hear the mighty rush of the engine hear those lonesome hoboies call  
Traveling through the jungle on the Wabash Cannonball

Well, she came down from Birmingham one cold December day  
As she pulled into the station you could hear all the people say  
She's from Tennessee she's long and she's tall  
She came down from Birmingham on the Wabash Cannonball

Listen to the jingle the rumble and the roar  
As she glides along the woodland through the hills and by the shore  
Hear the mighty rush of the engine hear those lonesome hoboies call  
Traveling through the jungle on the Wabash Cannonball

Here's to daddy Claxton may his name forever stand  
And always be remembered in the courts throughout the land  
His earthly race is over and the curtains round him fall  
We'll carry him home to Dixie on the Wabash Cannonball

Listen to the jingle the rumble and the roar  
As she glides along the woodland through the hills and by the shore  
Hear the mighty rush of the engine hear those lonesome hoboies call  
Traveling through the jungle on the Wabash Cannonball

## **When the Saints Go Marching In**

Now, when the Saints, go marchin' in  
Now, when the Saints go marchin' in  
Yes, I want to be in that number  
When the Saints go marchin' in

Now, when the Saints, go marchin' in  
Now, when the Saints go marchin' in  
Yes, I want to be in that number  
When the Saints go marchin' in

And when sun refuse to shine  
And when the sun refuse to shine  
Oh, I want to be in that number  
When the Saints go marchin' in

Oh, when the trumpet sounds its call  
When the trumpet sounds its call  
Oh, I want to be in that number  
When the trumpet sounds its call

Now when the Saints, go marchin' in  
Now when the Saints go marchin' in  
Yes, I want to be in that number  
When the Saints go marchin' in

## **Turn! Turn! Turn!**

To everything, turn, turn, turn  
There is a season, turn, turn, turn  
And a time to every purpose, under Heaven

A time to be born, a time to die  
A time to plant, a time to reap  
A time to kill, a time to heal  
A time to laugh, a time to weep

To everything, turn, turn, turn  
There is a season, turn, turn, turn  
And a time to every purpose, under heaven

A time to build up, a time to break down  
A time to dance, a time to mourn  
A time to cast away stones, a time to gather stones together

To everything, turn, turn, turn  
There is a season, turn, turn, turn  
And a time to every purpose, under Heaven

A time of love, a time of hate  
A time of war, a time of peace  
A time you may embrace, a time to refrain from embracing

*(guitar solo)*

To everything, turn, turn, turn  
There is a season, turn, turn, turn  
And a time to every purpose, under Heaven

A time to gain, a time to lose  
A time to rend, a time to sew  
A time of love, a time of hate  
A time for peace, I swear it's not too late!

## Raindrops Are Fallin' On My Head

Raindrops are Falling On My Head  
And just like the guy whose feet are too big for his bed  
Nothing seems to fit  
Those raindrops are fallin' on my head  
They keep falling

So, I just did me some  
Talkin' to the sun  
And I said I didn't like the way he got things done  
Sleepin' on the job  
Those raindrops are fallin' on my head  
They keep fallin'

But there's one thing I know  
The blues they send to meet me  
Won't defeat me  
It won't be long till happiness  
Steps up to greet me

Raindrops keep fallin' on my head  
But that doesn't mean  
My eyes will soon be turnin' red  
Cryin's not for me 'cause,  
I'm never gonna stop the rain  
By complainin',  
Because I'm free  
Nothin's worryin' me

*(trumpet solo)*

It won't be long  
Till happiness  
Steps up to greet me

Raindrops keep fallin' on my head  
But that doesn't mean my eyes will  
Soon be turnin' red  
Cryin's not for me 'cause  
I'm never gonna stop the rain by complainin'  
Because I'm free  
Nothin's worryin' me

## Will You Still Love Me Tomorrow

Tonight you're mine completely  
You give your love so sweetly  
Tonight the light of love is in your eyes  
But will you love me tomorrow

Is this a lasting treasure  
Or just a moment's pleasure  
Can I believe the magic of your sighs  
Will you still love me tomorrow

Tonight with words unspoken  
You say that I'm the only one  
But will my heart be broken  
When the night meets the morning sun

I'd like to know that your love  
Is love I can be sure of  
So tell me now, and I won't ask again  
Will you still love me tomorrow

(string solo)

So tell me now, and I won't ask again  
Will you still love me tomorrow  
Will you still love me tomorrow

## **My Bonnie**

My Bonnie lies over the ocean

My Bonnie lies over the sea

My Bonnie lies over the ocean

Please bring back my Bonnie to me

Bring back, bring back

Oh, Bring back my Bonnie to me, to me

Bring back, bring back

Oh, bring back my Bonnie to me
