

# Color-Me™ Dragon Gizmo (Pk/24)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

1. Place the punch-out sheet on a table with the dragon head pieces on the right side.

**See Figure 1**

**TIP:** For easier assembly, we suggest using a pencil and lightly numbering the pieces 1-8 starting from the left side of the punch-out sheet.

2. Punch out pieces 1 and 2. Then with #1 on the top, fasten pieces by inserting a paper fastener in center hole. Set aside.

3. Punch out pieces 3 and 4. Then with #3 on the top, fasten pieces by inserting a paper fastener in center hole. Set aside.

4. Punch out pieces 5 and 6. Then with #6 on the top, fasten pieces by inserting a paper fastener in center hole. Set aside.

5. Take all 3 assembled pieces above and lay on table left to right: pieces 1 & 2, 3 & 4, 5 & 6. Line up the single holes from the pieces so that you can fasten together with the paper fasteners. **Important: See Figure 2** for the layout of the pieces – you have to overlap them correctly. Pieces 5 & 6 should have the ends with double holes on the right.

6. Punch out pieces 7 and 8. Flip piece 7 over and fasten through the two holes on to piece 5. Fasten piece 8 through the two holes to piece 6. **See Figure 3.**

7. Holding pieces 1 & 2, you should be able to open and close your dragon now!

8. Decorate with a variety of supplies you have on-hand. Paints, markers, wiggle eyes, tissue paper, and more!
