Dream Catchers (Pk/24)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Dream Catcher Circles
- Yarn
- Feathers
- Beads
- Glue

YOU WILL NEED:

- Ruler
- Scissors
- Tape - Optional but highly recommended

EACH PERSON SHOULD HAVE:

- A Dream Catcher Circle
- 9 Feet of yarn (see Preparation instructions)

AGE GROUP: 7 and up
PROJECT TIME: 45 minutes

The feathers, beads and glue will be shared among the group.

PREPARATION INSTRUCTIONS FOR EACH DREAM CATCHER:

1. Measure and cut yarn: Each Dream Catcher will have 3 pieces of yarn:

-1 piece that is 92" long

-2 pieces that are 8" long each

2. Punch out the circles from each Dream Catcher.

TIP: Use a pencil to easily punch out the small circles on each Dream Catcher.

PREPARATION INSTRUCTIONS FOR EACH DREAM CATCHER:

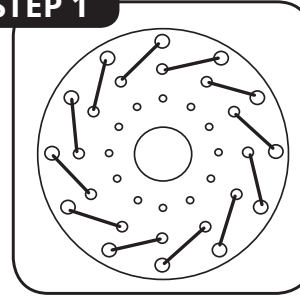

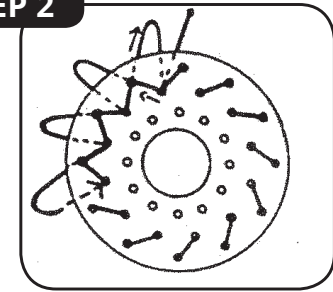

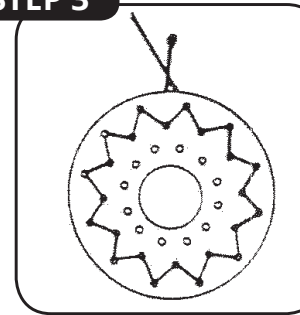

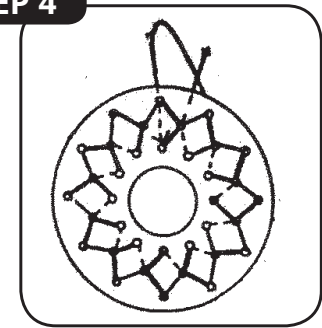

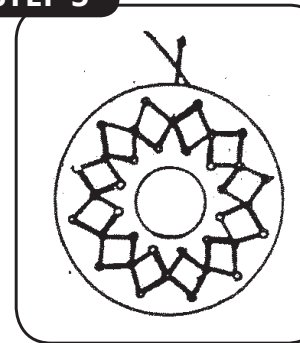

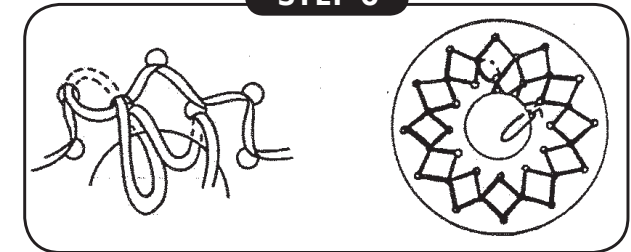

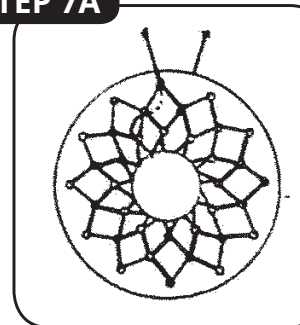

TIP: Roll a small piece of tape around the end of the yarn pieces to make threading easier!

Using the 92" piece of yarn:

1. Leaving a 6" tail, thread the yarn through the holes in the dream catcher as shown in Step 1.
2. When you have reached the end of the row of holes, thread the yarn through the same holes in the opposite direction (see steps 2 and 3).
3. Thread the yarn through the inner row of holes as you did with the first row (see steps 4 and 5).
4. Loop the yarn around the inner edge of the circle (see step 6).
5. Weave the ends of the yarn up through the holes to the outside edge and tie a knot with the two ends. (see steps 7a and 7b).

Using the 2, 8" pieces of yarn:

1. Thread each piece of yarn through opposite holes on either side of the dream catcher. Make sure that the yarn pieces hang evenly across from each other (see step 8 on back).
2. Thread the end of each piece of yarn through 2-3 beads and tie a knot below it.
3. Put a drop of glue into each bead and insert 2-3 feathers into the holes (see step 9 on back). Refer to finished sample photo as needed.
