INSTRUCTIONS:

1. Plan out how you're going to decorate the "sign" on your camp journal. On our sample we wrote "My Camp Journal" but you can write your name or anything you'd like: "Happy Camper", "Summer Camp Rocks", etc. You can lightly sketch out your design in pencil before moving onto markers. It helps keep things neat to start at the top and color your way down the page to avoid smudging the markers.
2. Use the markers to color both sides of your journal cover.
3. Use the glitter glue to highlight your design. Allow to dry.

Fun! Facts! Unplug & Play

- Kids ages 8-18 spend an average of 7 hours and 38 minutes in a typical day using entertainment media, according to the Kaiser Family Foundation. That's more than 53 hours a week!
- In an average week, only 6 percent of children ages 9-13 play outside on their own, according to the Children & Nature Network.
- Think about some ways you can be "unplugged." Take a walk and explore, make nature "prints," play games or listen for birds!
