INSTRUCTIONS:

1. Paint your design, beginning with the background colors. Then, after the paint has dried, you can add detail painting. Allow to dry and your shark is ready for adventure!
2. Rinse brushes immediately and dry with paper towel.

TIP: Do not apply paint inside the carved notches, so the shark will remain flexible.

**Fun!
Facts!** **Unplug and Play**

- Kids ages 8-18 spend an average of 7 hours and 38 minutes in a typical day using entertainment media, according to the Kaiser Family Foundation. That's more than 53 hours a week!
- In an average week, only 6 percent of children ages 9-13 play outside on their own, according to the Children & Nature Network.
- Think about some ways you can be "unplugged." Take a walk and explore, make nature "prints," play games or listen for birds!
