**Wood Train Whistle (Pk/12)**

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

**YOUR KIT CONTAINS:**

- Wood Train Whistle with cord
- Paint and Brushes

**AGE GROUP: 8 and up**  
**PROJECT TIME: 30 minutes**

**YOU WILL NEED:**

- Containers for Water
- Paper Towels

## PROJECT INSTRUCTIONS:

1. Decide how you want to decorate your whistle. You may want to sketch out your design with pencil before you start to paint.
2. Paint your whistle as planned, starting with a base coat and let dry before adding more colors/details.

**TIP:** Add small amounts of water to your paint, a few drops at a time to thin it out. This will help your paint flow easier.

3. Let your paint dry and you're ready to blow your whistle!  
Toot toot!

**TIP:** Wash out brushes so they can be used again.
