GP3302

**EACH PERSON SHOULD HAVE:**

- A wreath base
- 10 of each flower size
- A paintbrush
- A length of ribbon

The markers, glitter glue and glue will be shared among the group.

**PREPARATION INSTRUCTIONS:**

**For each wreath:** make a loop with the ribbon and attach to the back of the wreath base with a piece of strong tape.

**INSTRUCTIONS:**

**NOTE:** Have everyone think about the colors they want to use for their flowers before they start to color!

1. Each person should layout her flower shapes on a piece of scrap paper and use the markers to color the flowers.

**TIP:** You can blend marker colors together if you want!

2. Brush over the marker on the flowers with a wet brush. This will soften and blend the colors.
3. Let the flowers dry completely.
4. Glue the larger flower shapes to the wreath base (see finished sample for reference).
5. Take the smaller flowers and match and glue each one into a larger flower shape.
6. Add glitter glue accents to your flowers.
7. Let dry completely then hang the finished wreath up!
