INSTRUCTIONS:

See figure A

1. Use the markers to color the mandala design.
2. Choose the quote you would like to collage onto your mandala design.
3. Cut the quote into strips of paper or even each word can be cut separately.

TIP: Be creative! Besides cutting the quote into strips or individual words, you can also mix words from other quotes and make up your own quote.

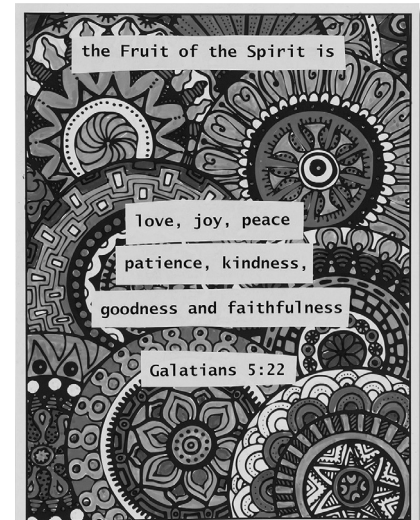

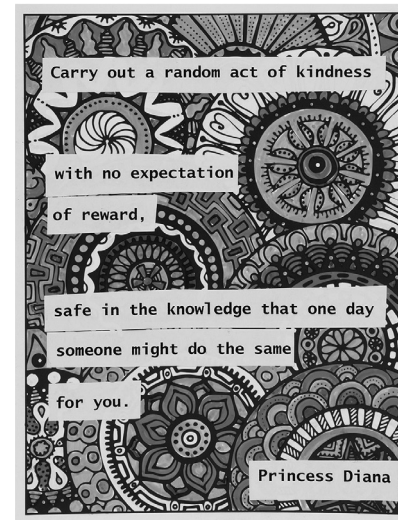

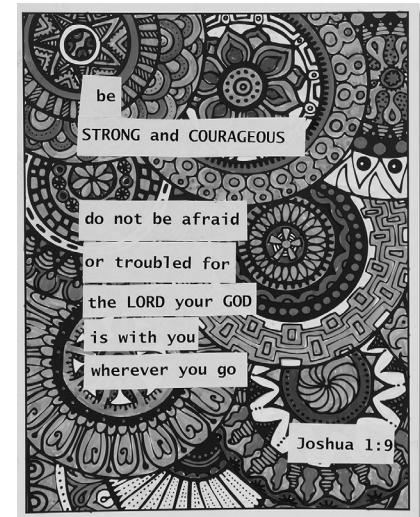

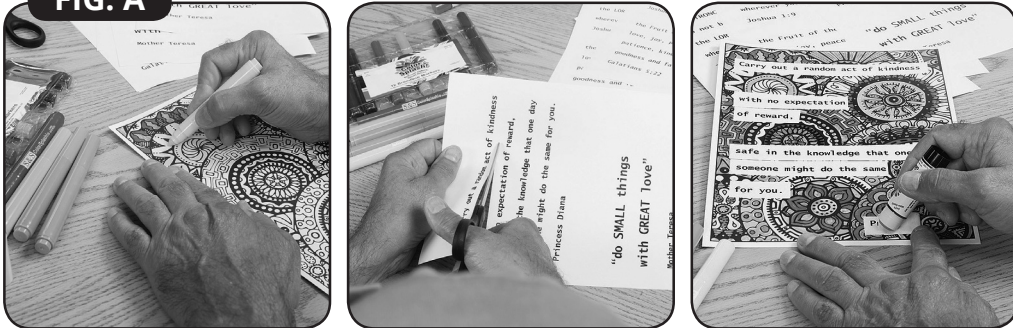

4. Experiment with the quote layout by planning the words on the mandala design and move around until you find a layout that you like.

- Play with grouping different lines together.
- Try centering the lines or lining them up in different ways.
- The idea is to be creative with the words and the layout of the quote.

5. Once you have a design that you like, use the glue stick to adhere the quote/words down in position.

6. Let dry.
