INSTRUCTIONS:

1. Dip the brush in the water and paint 1 color or small section at a time. Start painting the center/flag and work your way to the borders. Rinse the brush in-between colors.

TIP: Use a generous amount of water so the paint looks washy and fewer brush strokes are visible.

2. Let your finished design dry on a flat surface so the colors won't run together.
3. Use the markers to add details to your artwork.

**Fun!
Facts!**

- Leonardo da Vinci, the original "Renaissance Man," spent 12 years painting the Mona Lisa's lips.
