Kit may contain silicone gel packets, which should be removed before use.

YOUR PACK INCLUDES:

- Assorted Pony Beads
- Letter Beads
- Elastic Cord

YOU'LL ALSO NEED:

- Scissors to cut the elastic cord

Celebrate individuality and creativity with our "Be You" Bracelet Making Easy Pack! Perfect for kids, teens, and even adults, this kit includes everything needed to create personalized bracelets that serve as a reminder to embrace your unique personality. Perfect for initiating character-building discussions and SEL activities.

Prior to beginning activity:

Pre-cut individual lengths of elastic cord approx. 12" long for each participant.

Step 1 – Pass out the letters to spell BE YOU and a length of cord to each child.

Step 2 – Have them select pony beads to make a complete bracelet using a single bead to separate the two words as they spell them. Encourage discussion about the different aspects and traits about themselves that make them – them! As they string the beads onto the cord, discuss the importance of being an individual and how every person is unique and valuable.

Step 3 - Cut each finished bracelet to size by fitting to their wrist, removing beads if needed. Double knot the elastic with a simple overhand knot.

There are enough supplies for 48 participants to make bracelets or for 24 kids to make two bracelets, one for themselves and a second bracelet to give away to a friend.
